The Good Swordsman

 15  0  1

Chapter 1 by Nini Reyes

The night of the engagement party changes everything for Richard Hemingway, a 24-year-old swordsman from Madrid.

One moment, he is discussing soup with his admirable husband, Roger Chan; the next, watching with horror as forgetful teens attack each other.

He knows these teens came from Exeter but he can't prove it - at least not without some weathered weapons.

The noble, brave man knows that his simple life is over. He acquires some weathered weapons and is reborn as the hero who will save the world from forgetful teens.

However, the end of the world approaches, and time is running out for Richard. He is left with two options: stop the forgetful teens in one hour, or allow the world to end in a ball of fire.
